## RAINBOW DEVELOPMENT GOALS

### Toddler (1 1/2 - 2 1/2):

Busy Bees Preschool offers Toddlers to explore the world of movement, music and imagination. We promote healthy growth and development through theme-based activities. The daily schedule consists of large and small group activities with varying structure that are held both indoors and out. Our child will develop gross & fine motor skills while learning: musicality (interpretation, rhythm and timing), colors, counting, alphabet, shapes & directing (left-right, forward-back and up-down) and socialization skills (cooperation, self-control).

#### Toddler Development Goals:

##### Social Emotional

- Work on using words
- Begin to make friends
- Recognize he/she is one of many
- Develop manners
- Create a wonderful sense of self esteem
- Learn "want" and "have"
- Learn to share and take turns

##### Cognitive

- Use and remember rules
- Understand object permanence
- Become aware of new possibilities of objects through trial and error

##### Fine Motor

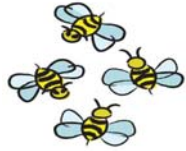

- Build hand-eye coordination with use of manipulatives
- Strengthen muscle and control to help with cutting, drawing, grasping skills

##### Gross Motor

- Body awareness
- Discover the parts of the body and their functions
- Coordination and balance
- Jumping and running
- Climbing
- Stacking
- Throwing

##### Language and Listening

- Listen and follow directions
- Develop vocabulary
- Use vocabulary in self expression
- Learn names of peers
- Recognize familiar sounds
